Examiner's Statement of Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record does not, alone or in combination, disclose measuring magnetic Barkhausen noise and determining the hardening depth of a measurement object, and regulating the varying magnetic field created in the measurement object, in such a way that the maximum strength of the magnetic field is at most 110 % of the value of a coercitive force of the-hardened part of the measurement object.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
